Probable Cause Affidavit Addendum

It should be noted there was a typographical error on page two, paragraph three. The sentence in error stated, 'He witnessed Bremmer punch John several more times and then throw him down the stairs into the galley.'

The corrected sentence should read, 'He witnessed Rieman punch John several more times and then throw him down the stairs into the galley.'

I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.
