

## **Superintendent Search: Our Ideas Will Impact the Selection Process and Our Future**

The Reynolds School Board of Directors has selected McPherson & Jacobson, L.L.C., Executive Recruitment and Development to assist them in the important task of selecting superintendent candidates for the board to interview.

We are soliciting input from district staff, parents, students, and the community in determining your thoughts and ideas about the attributes of our communities and school district. We are also interested in your sense of the qualities necessary for our next superintendent to be successful in leading the Reynolds schools.

We would appreciate it if you would take time from your schedule to meet with McPherson and Jacobson consultants, Bill Dean and Rich Parker, at one of our Community Forums. Your input is very important to us and we hope you will attend.

On behalf of McPherson and Jacobson, thank you for your time, interest, and ideas.
