Prepare Out Loud

Learn the facts. Take action. Talk about it.

Together we can rise to the challenge
of a Cascadia Earthquake.

The American Red Cross Prepare Out Loud presentation will empower you to be ready for disasters of all kinds (including a Cascadia earthquake) by taking practical steps to start preparing, being vocal about your preparedness and encouraging others to start preparing.

Learn more about:

- The science and history of the Cascadia Subduction Zone
- Human behavior during disasters
- What to expect during and after a Cascadia earthquake
- How to prepare to quickly locate your loved ones following a disaster
- How much food, water, and supplies you will need to take care of yourself and others
