

ZERO Project

Medication Lock Box

Giveaway

Every day, **2,500 kids** ages 12 to 17 **abuse a pain reliever** for the first time.

Many of us are not aware that our own medicine cabinets are potential sources of these drugs for teenage abuse. Help reduce local use and access by securing your prescription drugs in a lock box.

Get your **FREE** medication lock box!

Sat., April 7 | 8 am – 2 pm
at the **Kadlec Healthplex**

1268 Lee Blvd., Richland, WA 99352
