COVID-19 Cases by Symptom Onset Date and Hospitalization Status, Oregon, 2020

COVID-like visits still make up a small proportion of all reported ED visits reported, and total ED visits are decreasing...

... and the percentage of COVID-like visits is decreasing.

Oregon COVID-19 Daily Update

Summary as of Thursday 04/09/2020

Status Definitions			
Not Impacted	Stable	Anticipated Instability	Unstable
Services and functions are not impacted but are actively monitoring the situation	Minimal impacts to services, long term solutions are in place	Services are impacted with solutions being implemented	Services are disrupted or unable to meet the current need

Emergency Support Function (ESF)	Status	Impacts and Actions
 <p>ESF 8 Health and Medical</p> <p>Hospital Task Force</p> <p>Long-term Care Task Force</p> <p>EMS Task Force</p>	Anticipated Instability	<p>Medical Care Impact</p> <ul style="list-style-type: none"> Projected patient influx to Oregon hospitals in the coming weeks if infection rates continue will cause significant surge and personal protective equipment (PPE) shortage throughout the region. <p>Medical Care Actions</p> <ul style="list-style-type: none"> Ongoing effort to strengthen regional hospital and healthcare coalitions. Coordinating the purchase and distribution of FDA Emergency Use Authorization Point of Care test kits with ECC. Includes planning with IMT to distribute <i>Abbott ID NOW</i> instruments and cartridges provided by Health and Human Services (HHS) to support statewide laboratory capacity once received by OHA. Coordination with labs around Oregon to clarify and implement federal guidance around CDC-International Reagent Resource role in COVID-19 testing supply provision. <p>Medical Care Limiting Factors</p> <ul style="list-style-type: none"> PPE stock is strained in the state and across the nation.
	Stable	Patient Movement
	Unstable	<p>Public Health Impact</p> <ul style="list-style-type: none"> Case investigation for COVID-19 is straining statewide public health resources. Ongoing need for public health guidance and communications. <p>Public Health Actions</p> <ul style="list-style-type: none"> Ensuring broad translation of materials for the public. Continue progress on FAQs and translations for stakeholders. Coordinating with Governor's Office for call with faith leaders. Work with local public health authorities on data management of COVID-19 cases. Working on additional reporting mechanisms regarding epi curve and testing information.

Oregon COVID-19 Daily Update

Summary as of Thursday 04/09/2020

	Anticipated Instability	Medical Supply Chain Actions <ul style="list-style-type: none"> Obtaining approval for Mission Assignment for quick dissemination to State Emergency Registry of Volunteers in Oregon (SERV-OR) on standby if/when needed for Oregon Medical Station mission. On-scene date is being reevaluated. Medical Supply Limiting Factors <ul style="list-style-type: none"> Blood supply shortage due to decreased donations. Responding to multiple new requests for mass care.
 ESF 6 Mass Care	Stable	<ul style="list-style-type: none"> Responding to multiple new requests for food and water.
 ESF 11 Food and Water	Stable	<ul style="list-style-type: none"> National Guard has fully integrated into Wilsonville Distribution Center operations. Beginning to receive data from County PPE users to develop burn rate.
 ESF 7 Resource Support	Stable	<ul style="list-style-type: none"> Monitoring for impacts.
 ESF 1 Transportation	Stable	<ul style="list-style-type: none"> 911 (3 personnel in Quarantine). Public Safety Radio Systems. Cellular Networks (Monitoring). Data Networks (Monitoring). Public Alerts & Warnings. Deployed staff in support of Wilsonville Distribution Center. Monitoring for impacts.
 ESF 2 Communications	Stable	
 ESF 3 Public Works	Stable	

Oregon COVID-19 Daily Update

Summary as of Thursday 04/09/2020

 ESF 4 Firefighting	Stable	<ul style="list-style-type: none"> The Oregon Department of Forestry, Fire Protection Division continues to develop fire season preparedness and response plans for fire season 2020. Reviewing Infectious Disease Guidance for Wildland Fire Incidents. Supporting Multi-Agency Coordination group, ECC, Incident Management Teams and partners, ensuring continuity of operations.
 ESF 5 Information and Planning	Stable	<ul style="list-style-type: none"> All Counties have declared a state of emergency. All Tribes have declared a state of emergency.
 ESF 9 Search and Rescue	Stable	<ul style="list-style-type: none"> Coordinating with Sheriff Search and Rescue teams to give them the latest closure information for State, Federal lands, wilderness trailheads, extreme hiking and climbing areas, parks and day use areas.
 ESF 10 Hazardous Materials	Stable	<ul style="list-style-type: none"> Department of Environmental Quality (DEQ) is providing OHA with a part-time Deputy Planning Section Chief. DEQ is going to the Environmental Quality Commission for approval of a waiver to sell winter blend fuel effective May 1st through May 20th to be consistent with the Federal waiver. Oregon State Fire Marshal - is in regular communications with all 13 Regional HazMat Emergency Response Teams.
 ESF 12 Energy	Stable	<ul style="list-style-type: none"> The Oregon Department of Energy (ODOE) continues to monitor impacts to the fuel supply and distribution system with partners. The fuel industry is currently working to address surplus supplies as a result of the travel restrictions and stay-at-home orders in response to COVID-19. Every year on May 1, the fuel industry transitions from winter grade gasoline to summer grade stocks. On March 27, EPA issued a Reid Vapor Pressure (RVP) waiver, allowing companies to continue using the existing surplus supply of winter blend fuels remaining in the system after May 1. Oregon has more stringent requirements. ODOE is working with the Oregon Department of Agriculture and DEQ to ensure all state conditions for a RVP waiver are addressed.
 ESF 13 Military Support	Stable	<ul style="list-style-type: none"> 180 Oregon National Guard personnel have been activated to help with Wilsonville Distribution Center workload and other missions across the State. Providing tent and cot support to Baker and Lake Counties.

Oregon COVID-19 Daily Update

Summary as of Thursday 04/09/2020

 ESF 14 Public Information	Stable	<ul style="list-style-type: none"> Managing all COVID-19 related information sharing to stakeholders, media outlets, state and federal partners, and the public through various channels and platforms. Content creation and distribution. Coordinate and ensure accurate and timely release of all incident information. Facilitate press availability.
 ESF 15 Volunteers and Donations	Anticipated Instability	<ul style="list-style-type: none"> Oregon Voluntary Organizations Active in Disaster (ORVOAD) reminder that for help with spiritual/emotional care, a great resource is the Disaster Distress Helpline, 1-800-985-5990, a 24/7, 365 day-per-year, national hotline. Staff have established the Volunteer and Donations Management platform. Link to the platform is https://oregonrecovers.communityos.org A Volunteers and Donations email has been setup oem.donations@state.or.us #503-378-4479.
 ESF 16 Law Enforcement	Stable	<ul style="list-style-type: none"> Oregon Department of Corrections has developed a medical plan and determined emergency medical staffing needs for facilities that currently do not have 24-hour medical care. Oregon Department of Correction has developed a plan to mitigate laundry operation interruptions due to COVID-19.
 ESF 17 Agriculture and Animal Protection	Stable	<ul style="list-style-type: none"> Developed and distributing guidance for food retailers and food processors related to the Governor's Executive Order and how to maintain proper social distancing in grocery stores. Oregon Department of Agriculture has also been working with farmer's markets and livestock auctions to provide guidance on implementation of the Governor's executive orders. Guidance is being developed for testing of companion animals.
 ESF 18 Business and Industry	Stable	<ul style="list-style-type: none"> Continuing to have discussions with public and private partners in regards to PPE production by Oregon companies. Currently working on vetting firms and providing that list to the governor's office. Small Business Development Centers are working with over 415 firms who have suffered direct impact from COVID-19.
