

SOLVE's Annual Oregon Spring Cleanup: A Statewide Effort for Earth Day

*****Media Advisory - All Media Are Invited*****

SOLVE's Oregon Spring Cleanup 2024 spans across Oregon and SW Washington with over 100 events. This hallmark event, celebrating Earth Day, unites volunteers and partners from the Pacific Northwest to contribute to a cleaner, greener planet. Rooted in SOLVE's rich history, this event series merges two cherished events: the Spring Oregon Beach Cleanup (1986) and SOLVE IT for Earth Day (1990). The Oregon Spring Cleanup 2024 is presented by Portland General Electric. It's an excellent opportunity for families, coworkers, and neighbors to bond while preserving Oregon's stunning locations.

Media are invited to document environmentally engaged citizens and interview SOLVE staff and partners at the following event:
