Media Alert: Annual Beach & Riverside Cleanup – Broughton Beach

*****Media Advisory – All Media Are Invited*****

What: Annual Beach & Riverside Cleanup

When: Saturday, September 28, from 10:00 am to 12:00 pm

Where: 4141 Northeast Marine Drive Portland, 97211 | [Map Link](#)

Event Description: SOLVE staff and volunteers will celebrate the annual *Beach & Riverside Cleanup* at Broughton Beach in Northeast Portland on Saturday, September 28 (National Public Lands Day). Participants will collect litter of all sizes from the shores along the Columbia River. This family-friendly event welcomes individuals of all ages, providing an opportunity for community engagement and environmental responsibility.

Why: The *Beach & Riverside Cleanup* spans two significant environmental days: International Coastal Cleanup Day on September 21 and National Public Lands Day on September 28. With about 80 projects taking place across Oregon and SW Washington, this initiative aims to prevent trash from inland sources, such as rivers and streets, from reaching our beaches and oceans. Keeping Portland's waterways clean is vital for the health of the community and the environment. SOLVE's mission focuses on empowering individuals and businesses to contribute to their communities, fostering a sense of pride and stewardship for our natural areas. Together, these efforts can create a cleaner, more inviting environment that reflects care for both the community and the planet.

Media Crews: Arrive by 9:45 in the far east corner of the parking lot to see approximately 70 volunteers of all ages checking in, collecting their cleanup supplies, receiving a safety speech and event debrief, and then heading out in groups to pick up litter in the surrounding area. The event will run from 10 am to 12 pm, with volunteers expected to spread throughout the area.

This event will have plenty of visuals of volunteers picking up litter along the Columbia River, making for great community packages, VOs, and VOSOTS.
