At 2:44 a.m. Sunday morning Douglas County Fire District No.2 was dispatched to a reported unknown fire in the area of Happy Valley Road. The first DCFD2 fire crew arrived in the area and quickly determined that there was a structure on fire in the Riverplace Mobile Home Park. The DCFD2 crew arrived on scene shortly after and reported a confirmed structure fire with the front porch and door on fire.

Crews were able to knock down a majority of the fire with an initial attack using one hose line. The fire had extended into the attic space making complete extinguishment difficult. After opening the ceiling crews were able to eventually get a complete extinguishment of the fire.

The fire was reported by a resident in the Happy Valley area that reported seeing an orange glow in the sky and thought it was a large fire. The structure was a brand new, unoccupied double wide manufactured home that was for sale.

DCFD2 responded to this incident with 3 fire engines, 1 command unit. They were assisted by Winston Dillard Fire District with 1 engine, Douglas County Sherriff's Department and Pacific Power and Light.
