At 1:56 a.m. early Thursday morning Douglas County Fire District No.2 and Winston-Dillard Fire District was dispatched to a reported structure fire on Brentridge Drive in the Green district. The first fire crew to arrive on scene reported fire through the roof with exposures threatened.

Crews were able to knock down the majority of the fire with an initial attack using two hose lines. Fire crews spent extensive time overhauling the structure due to trapped fire in a portion of collapsed roof and in the crawlspace. The structure was unoccupied at the time of the fire.

DCFD2 and WDFD responded to this incident with 4 fire engines and 1 command unit with a total of 13 personnel. Crews were unable to determine a cause of the fire. Crews were assisted by DCSO, Winston PD, Avista Gas, PP&L and Lookingglass Rural Fire District.
