At 5:32 p.m. Wednesday evening Douglas County Fire District No.2 and Winston-Dillard Fire District were dispatched to a reported garage fire on Chandler Drive in the Green district. A neighbor alerted occupants of the home when he noticed black smoke exiting the garage door. The occupants left the home safely while fire crews were responding to the scene. An off-duty firefighter was the first fire member to arrive on scene and reported a fully involved garage fire.

The first arriving fire engine crew was able to knock down the majority of the fire with an initial attack using two hose lines. Fire crews spent extensive time overhauling the structure due to trapped fire in the garage. The fire extended to the upper story from the exterior, but minimal damage occurred to the inside of the structure.

DCFD2 and WDFD responded to this incident with 4 fire engines and 1 command unit with a total of 11 personnel. Crews were unable to determine a cause of the fire. Crews were assisted by Avista Gas, PP&L.
