Wapato Public Schools Preschool & Kindergarten “Registration Roundup”

Wapato Public Schools is taking a road trip in an effort to make it easier for families to register their students starting Preschool and/or Kindergarten next school year (2022-2023). On the afternoon of Thursday, May 26th, the District will take one of its school buses, load it up with the necessary materials and staff to take care of your registration needs and head down the road to the International Market parking lot in Wapato. The market is located at 512 W. 1st Street in Wapato.

Wapato families who still need to register their student for the District’s preschool and/or kindergarten for the 2022-2023 school year can stop by the school bus on Thursday, May 26th between 3:00 and 7:00 p.m. and get it taken care of. Bring the family because there will be activities for the kids and snacks for all.

Families will need to bring proof of residence, their child’s current immunization record and birth certificate in order to complete the registration process.

If families are not able to make it out to the registration roundup at International Market, they can take care of their Kindergarten registration needs for the 2022-2023 school year any weekday between 8:30 a.m. and 3:00 p.m. at either Camas Elementary or Simcoe Elementary Schools. Preschool application materials are only available at Camas Elementary School in Wapato.
