Clatsop County Issues Air Quality Advisory For Seaside and Gearhart

Nov. 18, 2022 (Astoria, OR) — Clatsop County is issuing an air quality advisory for the Seaside and Gearhart areas due to wildfire smoke.

[AirNow.gov](https://www.airnow.gov) reports that at this **Very Unhealthy** air quality level, everyone in that area needs to be concerned and recommends the following actions:

- **Sensitive groups:** Avoid all physical activity outdoors. Move activities indoors or reschedule to a time when air quality is better.
- **Everyone else:** Avoid prolonged or heavy exertion. Consider moving activities indoors or rescheduling to a time when air quality is better.

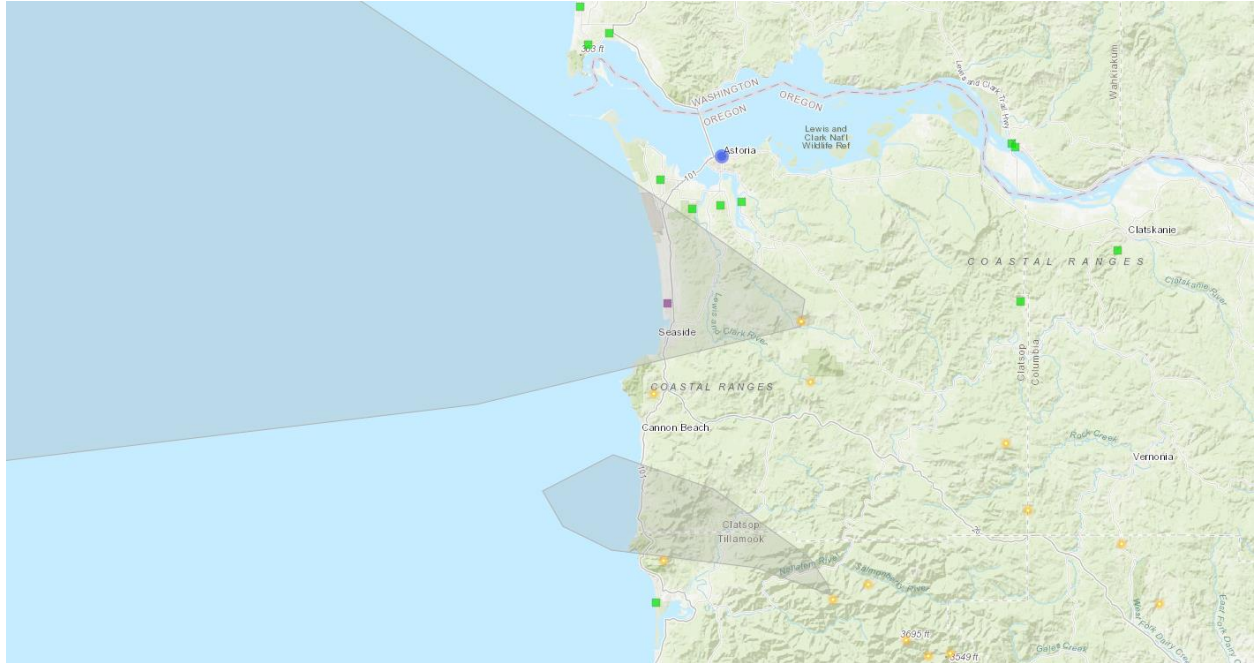

For more information, visit the [Clatsop County website](https://www.clatsopcounty.org) or [AirNow.gov](https://www.airnow.gov) to keep informed about air quality levels in your area. Also, AirNow.gov has a mobile app that you can download to track air quality wherever you are.
