Everyone Wins with Summer Foods!

For many children, summer vacation does not mean “Fun in the Sun,” but rather an increased risk of hunger and developmental decline. The Summer Food Service Program (SFSP) provides an opportunity to continue a child’s educational and social development while providing nutritious meals. The SFSP helps children return to school ready to learn.

The Summer Food Service Program is directed toward children and their needs; therefore, meals are not provided for adults. One lunch per child, per day will be prepared at **NO CHARGE** to all attending children 1-18 years of age. **You may still participate in our SFSP program while participating in the P-EBT program.**

We welcome ALL children: summer school children, daycares, summer church camps, community center groups, and visiting children from different states, cities, and counties.

We are unfortunately no longer able to offer a grab-and-go option for parents. So meals will have to be picked up by the child and eaten on site. Food cannot be taken from the site (except 1 grain or fruit item if allowed, ask the site supervisor).

If you have any questions, please call us at 509.769.6346 or 509.769.6288. It is important to us that everyone who shows up receives lunch. Days of operation will be Monday through Friday beginning June 12th through August 11th, 2023 unless otherwise specified. No weekends or holidays (June 19th and July 3rd & 4th there will be no meals served).
