Central Douglas Fire and Rescue Authority invites you to join us as we launch our new agency. Please join us for an open house pancake breakfast from 9am-11am before the parade. Following the parade, we will provide hot dogs, cookies, and beverages for lunch. We will also offer fire engine rides and a hose for children to extinguish a mock house fire.

Please join us for this informative and fun event, where we will have agency materials available. We look forward to seeing you there
